INFORMATION Explanation of Fostering a Horse or Pony from IHWT

The aim of the IHWT is to rescue, rehabilitate and re-home horses and ponies **to long term loan homes** for the rest of their lives. However we also require foster homes to help us continue the work that we do. We take great care that any horse or pony fostered out by us is in good health, has had its hooves and teeth attended to and is ready to go to a suitable home. We inform the loaner of any health or behavioural problems that IHWT is aware of.

The Application Procedure is as follows-

- Anyone interested in fostering a horse/pony **must read the information & complete the attached Application Form**
- If/when a suitable horse/pony becomes available the applicant will be contacted and the IHWT will conduct a Home Check to ascertain suitability of the prospective foster home.
- Please note that sufficient Grazing & Stabling/Shelter is a requirement in all cases.
- A copy file relating to the horse/pony is given by IHWT. We request that all Veterinary and Farrier records are kept up to date, incl. vaccinations.
- IHWT Policy does not allow breeding with IHWT horses or ponies
- Under new legislation anyone who is the owner/person in charge of any premises in which horses or other equines (such as donkeys, ponies etc) are kept are now required to register their premises with the Department. **Registration is through the local Department's Regional Offices. Application forms on which to register may be obtained from the Department's regional offices or from the Department's Animal Health Division, tel. 01 6072466 or from the Department's website: <http://www.agriculture.gov.ie/animalhealthwelfare/animalwelfare/registrationofpremisesanimals/registrationofhorsepremises/>**

By ticking this box you are giving your consent that IHWT will use the information that you provide on this form to process "Foster Application". In order to comply with Charity regulations & Equine ID legislation we may have to share your Equine Premises Number with the relevant authority. Your contact details may also be shared with IHWT staff & volunteers for the purpose of carrying out a home check

We want our horses and ponies to live out a happy and useful life, which they deserve and are grateful to those people who are prepared to help us to do that
