INFORMATION Explanation of Loaning a Horse or Pony from IHWT

The IHWT rescues, rehabilitates & re-homes horses & ponies **to a loan home** for the rest of their lives. We take great care that any horse or pony loaned out by us is in good health, has had its hooves & teeth attended to & is ready to go to a suitable home. We inform the Loaner of any health or behavioural problems that IHWT is aware of.

The Application Procedure is as follows

- Anyone interested in loaning a horse/pony **must read the information & complete the attached Loan Application Form.**
- If the applicant is deemed suitable, the applicant will be placed on the waiting list for consideration & will be contacted if a suitable horse or pony comes up for re-homing. It is not policy to receipt applications as IHWT receives so many.
- PLEASE NOTE THAT WE RECEIVE MANY APPLICATIONS & IT IS NOT POSSIBLE TO CONTACT ALL APPLICANTS AT THE TIME OF RECEIPT OF APPLICATION BUT THE APPLICATION WILL BE PLACED ON THE WAITING LIST & THE APPLICANT CONTACTED AUTOMATICALLY IF A SUITABLE HORSE OR PONY COMES UP FOR RE-HOMING .
- **PLEASE NOTE ALSO THAT THE WAITING LIST FOR RIDING HORSES & PONIES IS VERY LONG & IHWT RARELY HAS QUIET RIDING HORSES / PONIES.**
- If/when a suitable horse or pony becomes available the applicant will be contacted & the IHWT will conduct a Home Check to ascertain suitability of the prospective loan home.
- Please note that sufficient grazing & stabling / shelter are a requirement in all cases.
- *If the applicant is interested in re-homing an equine for riding, it will be necessary for the applicant to ride the horse or pony under supervision to assess suitability. Disclaimer must be signed. Before leaving we advise the applicant whether or not we are happy to proceed to the next stage.*
- If the applicant decides to proceed with a loan agreement for a horse or pony, IHWT will contact the applicant's referees. If successful, the IHWT & the Loaner sign a legally binding contract, laying down the terms & conditions of the loan. This is devised to safeguard all concerned, particularly the welfare of the horse or pony. The horse or pony remains the property of IHWT unless a Change of Ownership is agreed.
- Once this is done the Loaner is responsible for transport arrangements & for all the costs of keeping the horse/pony thereafter. In the event of a horse/pony being returned by the Loaner, the cost of transport is the responsibility of the Loaner. **If the Loaner is not able to transport the horse/pony then the IHWT will charge an agreed amount to cover diesel & staff costs.**
- After a period of 9 months the Loaner can apply to the IHWT for ownership of the IHWT equine. Each application will be assessed on a case by case basis. If the application is successful then a Change of Ownership form is completed & the ownership of the equine is transferred to the Loaner.
- A copy file relating to the horse or pony is given by IHWT. We request that all Veterinary & Farrier records are kept up to date, incl. vaccinations.
- The horse or pony will be visited by an IHWT Regional Welfare Officer by appointment in its loan home.
- IHWT policy does not allow breeding with IHWT horses or ponies.
- Under new legislation anyone who is the owner/person in charge of any premises in which horses or other equines (such as donkeys, ponies etc) are kept are now required to register their premises with the Department. **Registration is through the local Department's Regional Offices. Application forms on which to register may be obtained from the Department's regional offices or from the Department's Animal Health Division, tel. 01 6072466 or from the Department's website:**
